

Salinas Sextette Plays Monterey

SALINAS, Nov. 8— With all Coast District girls basketball teams looking forward to the YWBA tournament to be held in January at Monterey, practice sessions are being held by the participating teams.

The Salinas Bluettes, again coached by Lloyd Urabe and Harry Hirabayashi, have numerous practices to their credit and will be out for a triumph when the local cagettes clash with the Monterey team on Nov. 17, probably at the latter's high school courts, from 1:30 p.m.

Although the Monterey girls will be weakened by the loss of Miyo Enokida, star forward who is attending Salinas Junior College, they are expected to give the local sextette a hard contest. Miss Enokida may possibly get into the game without practice which she does not need.

The showing of the Bluettes is unpredictable since veterans of the team have not shown up for practice regularly.
